TO IN CONTROL BUSINESS RESET WORKBOOK

The Mindset & Strategy Shift Every Business Owner Needs

Interactive Edition - Fillable & Saveable

Honest Reflection

What is working well in my business right now?

What feels harder than it should?

What is taking up most of my time?

What am I constantly putting out fires around?

Where do I feel most overwhelmed?

Honest Reflection (cont.)

What do I wish I had more time, energy or capacity for?

Self-Assessment

MINDSET

I feel clear about where my business is going.

I trust my decisions.

TIME

I have enough time for important work.

My workload is realistic.

OPERATIONS

My business has repeatable processes.

I know what can be delegated.

GROWTH

I know my current priorities.

I am focused on activities that create value.

Person Behind Business

What am I carrying that I don't need to carry?

What beliefs may be influencing how I run my business?

Where am I trying to prove myself?

What am I afraid will happen if I delegate?

Where do I need stronger boundaries?

Person Behind Business (cont.)

What does sustainable success actually look like for me?

Your business cannot sustainably grow beyond the capacity you are willing and able to create.

Protect What Matters

What gets too much access to my time?

Where am I saying yes when I should say no?

Which clients/tasks need clearer boundaries?

What business hours boundaries do I need?

What personal time needs protection?
